MEDICARE BENEFICIARIES:
Have your out-of-pocket expenses increased for your home medical equipment items?
Have you experienced delays in getting equipment and related services?
Have you had difficulty finding a medical equipment supplier to service you?

IF SO, YOU HAVE BEEN IMPACTED BY poor health care policies and must take action!

For years, poor health care policies have had devastating impacts on seniors and people with disabilities. Join People for Quality Care in the fight to preserve access to vital home medical equipment.
